"Everyone's a Wally"

(A day in the life of Wally)

FOR THE AMSTRAD CPC 464

Come in and Meet The Gang.

Wally is back, this time with his family and friends in the first ever Multi-Role Arcade Adventure. Not only does Wally appear fully animated, but also Wilma, Herbert, Tom, Dick and Harry. The purpose of the game is to find the combination for the safe and then pay the wages to the gang. The combination is split and can be found in different locations, all of which are in the high resolution graphics as shown above. Not only must they be identified, but the right items to collect the combination must be used. The locations are many and varied, and contain zany arcade sequences which must be completed to finish the adventure. Each character has specific abilities and it is up to the player to select which one will perform a particular task.

Side one of the cassette contains the hit single "Everyone's a Wally" performed by Mike Berry.
